

Arriving from Frankfurt Airport

From Frankfurt airport there is a direct bus service to the **main railway station** in Darmstadt, called AirLiner. It takes you to the square in front of the **main railway station**, from where you can take tram number 5 to the Luisenplatz. Luisenplatz is the central square in Darmstadt and in walking distance from the Hotels and the venue of the Workshop. A pdf-file lists the times when and where the AirLiner leaves from Frankfurt Airport.
